Dear John

**MINISTERIAL APPROVAL TO AMEND THE RADIOACTIVE SUBSTANCES ACT 1993  
FEES AND CHARGES (SCOTLAND) SCHEME**

Following the SEPA consultation between 18 December and 26 March 2010, I am happy to inform you that under section 42 of the Environment Act 1995, Ministers have approved the proposed changes to the Radioactive Substances Act 1993 Fees and Charges (Scotland) Scheme from 27 April 2010.

The Minister has also approved SEPA's proposal to reduce the cancellation fee to match the variation fees for each of the 4 registration bands.

Yours sincerely

Yvonne Fieldhouse
