Environmental Assessment (Scotland) Act 2005: Screening Determination SEPA's Corporate Plan 2024-2027

SEPA submitted a Screening Report for its Corporate Plan 2024-2027 to the SEA Gateway on 31 August 2023.

After reviewing the responses from the consultation authorities, SEPA has made a determination under Section 8(1) of the above Act, that its Corporate Plan 2024-2027 is unlikely to have significant environmental effects. The consultation authorities supported this view. SEPA has, therefore, determined that a Strategic Environmental Assessment is not required.

I enclose a copy of the advert to be placed in the Edinburgh Gazette and Glasgow Herald. Copies of this determination and the screening documents can be viewed on SEPA's website at www.sepa.org.uk. They can also be obtained by emailing sea_gateway@sepa.org.uk or from our office: Angus Smith Building, 6 Parklands Avenue, Eurocentral, Holytown, North Lanarkshire, ML1 4WQ.

Your faithfully
