Dear John

**MINISTERIAL APPROVAL TO AMEND THE CHARGES FOR THE SPREAD OF
ORGANIC WASTE ON LAND**

Following the SEPA consultation between 26 February 2010 and 21 May 2010. I am happy to inform you that under section 42 of the Environment Act 1995, Ministers have approved SEPA's amendment to the charges for the spreading of organic waste on land from 24 June 2010. For the sake of completeness, the scheme approved by the Minister is the original proposal as laid out in the consultation paper.

Yours sincerely

Yvonne Fieldhouse
