</table>

**Important Information**

- If you are making an application on your own behalf, then you should sign the application form. If the application is being made on behalf of a third party, company, partnership or other organisation, then the person who signs the declaration at the end of the form should have the authority to sign the application on behalf of that third party, company, partnership or organisation.

- We may contact you for further information and depending on the type of variation being requested, this may be via telephone, letter or in some cases a formal notice. In cases where further relevant information has to be gathered before a decision can be made on an application, there may be an additional charge, to cover the cost of SEPA acquiring the information but this will always be subject to prior agreement. Poor quality information may result in your application being delayed.

- SEPA has to process applications for variation of a registration within 30 days. This period will be extended if SEPA needs to contact you for further information. It may also be extended for other reasons, but only with your written agreement.

**The Data Protection Act 1998**

The information provided on this form will be processed by the Scottish Environment Protection Agency ("SEPA") to process and assess your application for registration, to monitor compliance with the relevant conditions, to process renewals, and for maintaining the relevant public register(s).

We may also process and/or disclose it in connection with the following:

- offering/providing you with our literature/services relating to environmental affairs
- carrying out statistical analysis, research and development on environmental issues
- providing public register information to enquirers
- investigating possible breaches of environmental law and taking any resulting action
- preventing breaches of environmental law; and
- improving our service

We may disclose the information to the public, public bodies and other organisations (e.g. Health and Safety Executive, Local Authorities, Emergency Services, Scottish Executive) when consulting on environmental issues.

If there is any information you wish to justify being kept from the public register on grounds of commercial confidentiality you should contact SEPA before submission of your application.
4. Declaration

The Applicant identified on this form must sign below.

It is an offence under Regulation 44 of the Water Environment (Controlled Activities) (Scotland) Regulations 2011 to:

- Make a statement which you know to be false or misleading in a material particular,
- Recklessly make a statement which is false or misleading in a material particular, for the purposes of obtaining an authorisation (for yourself or anyone else).

If you make a false statement:

- We may prepare a report to the Procurator Fiscal who may prosecute you, and
- If you are convicted, you are liable to a fine or imprisonment, or both.

5. Payment Methods

Please ensure you submit the correct fee for your application. This fee is reviewed every year. For latest fees please consult the latest Environmental Regulation (Scotland) Charging Scheme on the SEPA website (www.sepa.org.uk and search for 'charging schemes and summary charging booklets') or contact your local SEPA office (see final page for details).

**BACS**

Sort Code: 83-34-00
Account Number: 00137187

**Cheque**

Make all cheques payable to ‘SEPA’ and submit with your application.

**Credit/Debit Card**

Payment is accepted by all major credit/debit cards. Please telephone SEPA to arrange payment.

**IMPORTANT! When paying by BACS or direct transfer you MUST submit the Remittance Advice/Proof of Payment with your application form. If this is not received the application will be returned to you as invalid and a request will be made for the correct Remittance Advice/Proof of Payment, as SEPA cannot process your application without this.**

6. Application Checklist

Please use the checklist to ensure you have completed all relevant sections and have included all required items with your application. Incomplete applications may be returned to you for re-submission.
