Performance Standard MACS-WAT-02: Sample and data management

Addendum A

The following clauses in performance standard MACS-WAT-02 'Sample and data management' (Version 2, August 2017) are not yet relevant to its application:

- i. 3.3 b. MACS Performance Standard: Automatic sampling devices, Scottish Environment Protection Agency, MACS-WAT-03, 2018.
 - ii. 3.3 c. MACS Performance Standard: Monitoring of flow, Scottish Environment Protection Agency, MACS-WAT-04, 2018.
-

Until such time that further formal notification is issued by SEPA:

- i and ii above may be ignored.
