Your Ref: HIAL (Inverness Airport) Enforcement Undertaking

Date: 10th March 2017

To

Mr Cameron Scott, SEPA Dingwall

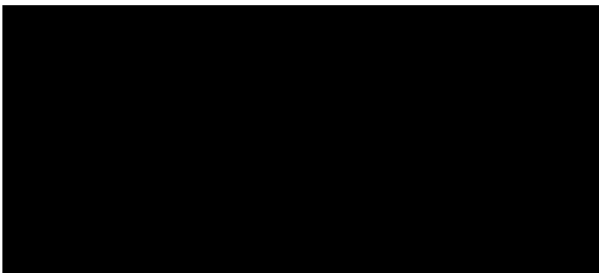

Dear Mr Scott,

Variation to HIAL (Inverness Airport) Enforcement Undertaking

Highlands and Islands Airports Limited would like to formally request a variation to the Enforcement Undertaking submitted on the 17th February 2017. The variation is to Section 8, Paragraph 8.1 which should be deleted in total and replaced with a new paragraph to read:

8.1 HIAL (Inverness Airport) have undertaken an ecological appraisal of the areas upstream and downstream of the discharge point to identify any evidence of environmental impact on the Ardersier Burn. The survey was carried out on the 17th and 18th January 2017 and HIAL will act on recommendations by the 1st October 2018. The costs of the survey amounted to £2637.

Yours sincerely

Inglis Lyon
Managing Director
Highlands and Islands Airports Limited
