

Fisheries Management Workshop – North West

07 Nov 2017 Wyvis Room, Dingwall Office, Graesser House, Fodderty Way, IV15 9X

RBMP and Fisheries Workshop

Times (approx.)	Agenda item	SEPA Staff
1000 - 1030	Registration with tea /coffee	
1030 - 1040	Welcome (brief welcome and housekeeping points)	Chair
1040 - 1140	<p>What's the context? River Basin Management Planning cross over with fishery priorities to delivery environmental improvements.</p> <p>Introduction to classification and SEPAs information systems – The principles of classification followed by a demonstration of Water Environment Hub and SEweb, and how these can be used to identify pressures and co-ordinate action.</p>	<p>RBMP/ Fish Ecology</p> <p>Facilitators from RBMP and EQ</p>
1140 - 1230	<p>Local data workshop – look at pressures for your area Looking at specific geographical areas, discuss classification, RBMP pressures, including undetermined and begin to identify broad possible links with fishery priorities. Highlighting any specific concerns with data at this point to create list of water bodies that require further evidence.</p>	Facilitators from RBMP, EQ and Fish Ecology
1230 - 1315	Lunch provided	
1315 – 1415	Workshop Continued...	RBMP, EQ and Fish Ecology
1415 – 1430	Comfort break – leg stretch and coffee	
1430-1530	<p>Barriers to migratory fish Outline of the delivery mechanisms & what SEPA is planning to deliver by 2021</p> <p>Workshop looking at specific geographic areas, check data (identify additional barriers and evidence requirement), sequencing, identify any areas for joint working & alternative funding approaches.</p>	RBMP, EQ and Fish Ecology
1530 - 1600	<p>Summary of priorities and actions Brief summary by chair, then final group discussion to;</p> <ul style="list-style-type: none"> • Agree main priorities for areas where joint working may be possible. • Identify key pressures for the area that are not reflected in classification – agree what data is needed. • Agree mechanisms to make and report on changes. 	<p>Chair</p> <p>Fish Ecology, EQ and RBMP</p>
1600 - 1700	Room available for informal discussions.
