

## Agency Board Meeting 26 April 2022

Board Report Number: SEPA 16/22

### Consideration of new risks

<b>Summary:</b>	<p>On 22 March, The Audit Committee asked that we have a standing item at the end of each Agency Board and Audit Committee meeting to discuss any potential new risks that should be considered for the corporate risk register.</p> <p>To help Board members identify new risks, a list of risks currently on the corporate risk register is attached.</p>
<b>Risks:</b>	This paper is to allow Board members to discuss and raise any new potential risks for consideration for the corporate risk register.
<b>Resource and Staffing Implications:</b>	None
<b>Equalities:</b>	We will continue to monitor this work for anything that may impact on equality. We will address them through our normal activities for embedding equality and human rights through our work.
<b>Environmental and Carbon Impact:</b>	None
<b>Purpose and audience of the report:</b>	Following today's discussions, The Board is asked to advise if there are any new risks that should be considered for SEPA's corporate risk register.
