

SCOTTISH ENVIRONMENT PROTECTION AGENCY

SEPA Finfish Aquaculture Advisory Panel

Date 27 April 2022, 14:00-16:30

Microsoft Teams

Agenda

1.	Welcome & Introduction	SEPA Chair
2.	<p>To assist it in developing and improving its regulatory framework for finfish aquaculture, SEPA wants to ensure it has advice from as broad a range as possible of people with an interest in the sector.</p> <p>In the period ahead, SEPA will be making further, significant changes to the regulatory framework and we want advice to help us design these changes.</p> <p>We are currently reflecting on how we should best engage with those interested in the sector.</p> <p>We are asking Panel members to provide us with their views on how SEPA could most effectively engage those with an interest in the sector to get advice, including reflecting on how the Panel works, or could work, in this regard.</p> <p>Please find a link to the current FFAP Terms of Reference.</p>	SEPA / All
3.	Introduction to SAIC work on sustainable aquaculture	SAIC
4.	<p>Actions from the last meeting</p> <p>Link to previous minutes with actions</p>	SEPA
